Affidavit of Clarification of Estate Fiduciary Standing

I, Craig-Allen: White, a private living man, sui juris, make this clarification regarding documents previously recorded or published, including but not limited to filings in Pima County, Arizona, materials posted to internet archive sites, and materials otherwise placed in the public record.

In those filings, I at times styled myself as Executor and Beneficiary. Such wording was employed for the limited purpose of rebutting presumptions of abandonment or decedent status, and to prevent escheatment of the account (estate) styled as CRAIG ALLEN WHITE into state custodial control.

These filings were not intended to merge fiduciary and beneficiary roles into the living man. They were meant to preserve the account (estate) from being treated as abandoned and to maintain it for lawful administration.

For the avoidance of doubt, the living man may be presumed the ultimate beneficiary of the account (estate) styled as CRAIG ALLEN WHITE. I hold such beneficial and equitable interests in preservation but do not exercise them in my fiduciary capacity. Such interests remain reserved, distinct, and available only for lawful trust and estate administration.

My correct and continuing standing is solely that of Executor/Administrator in private fiduciary capacity, without prejudice.

All prior filings and notices are to be read, construed, and enforced consistent with this clarification.

Executed this 3rd day of October, 2025.

Executor Declaration

(Private Fiduciary Instrument in Equity)

I, Craig-Allen: White, a private living man in full legal capacity, standing in original jurisdiction and expressly outside the 14th Amendment U.S. citizen construct, not joined to any statutory office, artificial person, commercial entity, or municipal jurisdiction of the United States, do hereby declare the following:

I am the duly appointed and acting Executor/Administrator, Fiduciary over the private estate associated with the Social Security Number ending in ____ including all property, accounts, credits, records, and interests, whether tangible or intangible, arising therefrom or administered under said Estate.

I attained the age of majority on June 30, 1983, and therefore any and all filings, elections, registrations, presumptions, or instruments alleged prior to that date are void *ab initio*, without legal force or binding effect.

I operate strictly in private capacity under natural law, in equity and trust, and am not subject to the assumptions, obligations, or delegations of any statutory "individual," resident, agent, taxpayer, or "U.S. person" as defined by federal code or administrative regulation.

As the living man and lawful fiduciary, my duties include the management, safeguarding, preservation, and administration of all Estate interests, property, titles, claims, and instruments, in both equity and substance.

This declaration serves as formal notice that the Estate is under active private administration and is not abandoned, silent, or subject to state or federal administrative custody. Any prior references to "beneficiary" in prior documents or instruments were solely for rebuttal of abandonment and do not constitute nor imply any election of beneficial interest.

All equitable and beneficial interests remain vested in the private Estate. As Fiduciary, I retain sole and exclusive authority to determine the status, direction, distribution, or reassignment of any such interests.

No agency, trustee, officer, or administrative body may presume or assert authority over this Estate absent express written delegation by me, the undersigned Executor, acting in private trust and equity.

This declaration is executed in original jurisdiction, under private seal, in good faith, and is made nunc pro tunc to June 30, 1983.

Executed this second day of October, 2025.

Affidavit and Public Notice of Lawful Necessity

From: Craig-Allen: White, living man
To: Whom It May Concern
Date: October 5th, 2025
Subject: Declaration of Status and Affirmation of Necessity-Based Participation

I, Craig-Allen: White, a living man born on the land known as Ohio, do hereby declare, affirm, and place this affidavit on the public record for lawful notice and protection of private status and estate standing.

1. Status Reserved

I am not a U.S. citizen, federal person, or public trust entity.

I am a private, non-citizen national American, born on the land and soil jurisdiction of one of the perpetual Union States.

My identity, name, and estate have never been knowingly surrendered, assigned, or joined to any commercial or political trust or statutory framework.

2. Participation Under Lawful Necessity

Any and all public benefits or assistance received — including but not limited to:

- Nutritional aid (SNAP/EBT)
- Medical aid (Medicaid, Medi-Cal)
- Temporary financial support
- Emergency shelter or housing
- Transportation or utility support

...have been accessed solely under conditions of lawful necessity, as a matter of survival and not of privilege, submission, or contract.

Participation in such programs does not constitute:

- Consent to federal citizenship or political status
- Waiver of private rights or protections
- Merger into commercial jurisdiction or trust presumption

This applies to any and all benefits received in the past, and also to any assistance that may be necessary in the future.

3. Standing Maintained

As the living man and biological grantor, I retain full standing over the estate associated with my name.

My role as fiduciary has been lawfully declared and recorded, and my rights remain reserved at all times.

This affidavit shall serve as constructive notice to all agencies, officers, trustees, and claimants, and is recorded for the public record.

4. No Joinder, No Waiver

This notice is not a waiver, application, or contract.

It is a lawful rebuttal to all presumptions of voluntary joinder or submission to foreign jurisdiction or trust enforcement.

All rights, remedies, immunities, and protections are explicitly and perpetually reserved.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct to the best of my knowledge, information, and belief.

Affidavit of Exclusive Ownership of Labor and Its Proceeds

Craig-Allen: White — living man, in private capacity
Private Notice | For Administrative Record | Without Prejudice

This affidavit is offered in good faith, for the purpose of correcting the record and preserving private rights. All statements herein are based on firsthand knowledge, truth, and capacity to contract.

I. Capacity and Standing

1. I, Craig-Allen: White, am a living man born upon the land and lawfully domiciled outside federal jurisdiction. I am not a U.S. citizen, resident, person, or transferee as defined in commercial code.
2. I do not act in any public office, volunteer capacity, or implied agency on behalf of any artificial entity. I am not a surety, representative, or fiduciary for any account, vessel, or estate other than those in which I hold lawful title and beneficial interest.

II. Statement of Fact

3. My labor — including time, effort, skill, and productive capacity — is private property. I retain full interest in its fruits, value, and exchange.
4. No presumption of gift, assignment, or public benefit exists unless supported by full disclosure and mutual agreement. All compensation, energy credits, or proceeds derived from my labor remain under my exclusive control unless lawfully transferred.
5. All financial instruments or transactions attributed to me are presumed to arise from private contract, unless otherwise rebutted by evidence of lawful delegation or explicit trust structure.

III. Use of Legal Name / Public Trusts

6. Any use of the name CRAIG ALLEN WHITE, or any derivative thereof, shall be construed as reference to a separate legal entity, and not the living man. I operate privately and retain all equitable interests in such estate or associated property.

7. I acknowledge no debt or obligation arising from administrative presumption, silence, or constructed benefit. All such instruments shall be treated as offers, subject to acceptance, rejection, or conditional negotiation under private law.

IV. Claim and Reservation of Rights

8. I hereby affirm my exclusive ownership of my labor and its fruits, and place all agents, fiduciaries, or third parties on notice of my standing.
9. I reserve all rights, including the right to labor, to contract, and to be compensated in full — free from interference, assumption, or forced benefit.
10. Let this affidavit serve as sufficient notice to correct the record. Failure to rebut this claim with verified evidence and authority shall be deemed acquiescence and agreement on the administrative record.

Declaration and Administrative Notice of Private Standing & Capacity

(Lawful Standing, Private Capacity, and Administrative Presumption Rebuttal)

I. Lawful Standing and Private Capacity

I, Craig-Allen: White, acting in my private capacity as a living man born on the land and soil of one of the several States of the perpetual Union, hereby give lawful notice to any and all concerned parties, agents, agencies, or administrative bodies that I do not act as a resident, individual, citizen, officer, ward, surety, or commercial agent of any governmental, municipal, or federal franchise.

My status is that of a private American, domiciled within the boundaries of a State of the Union, not subject to unrebutted presumptions of civil death, abandonment, or voluntary adhesion to statutory jurisdiction.

II. Clarification Regarding Status and Administrative Presumption

This notice is made to clarify lawful standing and to prevent misinterpretation of its intent. No affiliation exists with any ideological movement, protest-based doctrine, or adversarial interpretation of law. This declaration is not political in nature, and it does not assert immunity, exemption, or resistance to lawful governance.

The reference to the birth certificate herein is made solely as evidence of the original birth event, documenting my nativity on the land and soil of one of the several States of the Union. It establishes administrative recognition of lawful standing, and by extension, the living man's inherent authority to generate value through his labor, time, and energy.

This clarification is provided for the sole purpose of rebutting silent administrative presumptions that may otherwise treat the living man as a decedent, ward, or unclaimed entity within civil jurisdiction. It serves only to affirm the living status and capacity of the man making this declaration, and to ensure that no incorrect legal or commercial status is inferred or imposed.

III. Constructive Notice and Administrative Cure

Let this serve as formal and constructive notice on the public record that I, the undersigned, retain full private capacity, do not consent to contracts entered into without full disclosure or mutual assent, and waive no unalienable rights through silence, default, or unrebutted presumption.

This declaration is made in honor, peace, and clarity, and exists solely to correct the administrative record where error, presumption, or omission may have previously resulted in misclassification. I reserve all rights, including the right to amend, rescind, or expand this declaration as necessary to maintain accurate standing in all jurisdictions.

IV. Reservation of Rights Under Necessity

Where any form of identification, licensing, registration, or administrative interaction occurs with public systems — including, but not limited to, Department of Motor Vehicles (DMV) procedures or statutory agencies — such minimum contact is made strictly out of necessity and shall not be construed as consent, voluntary adhesion, or surrender of unalienable rights. No contract is formed by such use, nor is any lawful standing, status, or claim diminished. All rights are reserved, including the right to contract, to remain private, and to correct or rebut presumptions arising from such compelled interactions.

Executed Statement under 28 U.S.C. § 1746

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct to the best of my knowledge, belief, and ability. Executed without the United States, and not as an agent of any corporate entity or statutory trust.

Affidavit of Elector Status: Declaration & Correction to Status & Standing

Without prejudice, I, Craig-Allen: White, do solemnly affirm and declare the following as truth, based on firsthand knowledge, competent capacity, and standing in equity.

I am a living man, born upon the land known as Cuyahoga County, Ohio and presently domiciled upon the land known as Los Angeles County, California. I am an inhabitant of California, not a resident, and one of the people of the several states united under the original compact. I do not reside in any federal territory or under any delegated jurisdiction of the United States or its municipal or corporate subdivisions.

I have never knowingly or willingly waived any unalienable rights, nor have I contracted into any public office, statutory franchise, or administrative role that would alter my natural status or subordinate my estate to any commercial or political entity. I do not act as a person, citizen, agent, surety, trustee, resident, or transferee of any construct, vessel, or legal fiction bearing a name similar or identical to my own.

I stand in full capacity as one of the people, endowed by the Creator with unalienable rights, as acknowledged—not granted—by the original Constitution for the united States of America (1787, ratified 1791). I do not recognize any post-1861 corporate overlays, presumptions of citizenship, or administrative conversions of my political status.

I am an elector by right, not a voter by privilege. I do not participate in statutory elections, benefits, or franchises that require surrender of natural rights or imply contract with foreign jurisdictions. My political power is inherent and not delegated or registered through statutory mechanisms. I neither seek nor require permission to vote, self-govern, or express my political will under color of office.

I reject all presumptions of citizenship, residency, agency, or dependency imposed by any statute, code, or administrative act. I rebut any construct that attempts to redefine my status without my knowledge, consent, or living will. I do not act under assumption, presumption, or silence, and I do not accept novation, adhesion, or conversion of any trust, estate, or contract without my express written authority.

Let all agents and entities, public and private, take notice: I, Craig-Allen: White, am a private man standing on the land, not subject to legislative or administrative jurisdiction unless lawfully contracted into by full and knowing consent. I speak for myself and my estate. No agency, vessel, or legal entity may speak, act, or contract on my behalf without express delegation, which does not exist.

This affidavit is a permanent correction of the public record, nunc pro tunc, ab initio, and serves as lawful notice to all parties, known and unknown. It stands unrebutted unless countered point-for-point by sworn affidavit (to: Craig White, 1270 South Alfred Street #35113, Los Angeles, California [90035]) made under oath and full commercial liability and

penalty of perjury by a living man or woman within thirty days of proper notice and publication.

I affirm under penalty of perjury under the laws of California, and in accord with the laws of nature and nature's God, that the foregoing is true, correct, and complete to the best of my knowledge, belief, and ability.

VERIFICATION OF STATUS CORRECTION RECORDINGS

I, the undersigned, affirm under penalty of perjury under the laws of the United States of America that the eighteen (18) attached pages of status correction documentation were duly recorded into the original land jurisdiction record during the months of September and October, 2024.

These documents do not constitute a change of political status, but a lawful correction and affirmation of my original birthright status as a private American national — never knowingly, willingly, or voluntarily a party to the 14th Amendment federal citizenship construct.

This verification accompanies the status correction documentation previously recorded with the Pima County Recorder's Office and the California Assembly Land Recording Office (LRO). All filings were signed and submitted in good faith, following the original jurisdiction land recording process. While notarization is not required in the land jurisdiction, I am executing this verification now to ensure full cross-jurisdictional recognition, including among government agencies and courts.

Three (3) of the included documents were already notarized at the time of their original recording. The remaining documents are now being submitted for bundled notarization to preserve and confirm their lawful standing.

Two of the already notarized documents within this packet consist of sworn witness statements affirming my identity and standing. While not signed by me personally, they remain part of the core status correction record and are affirmed here as true and correct to the best of my knowledge and belief.

This re-submission is made in good faith for public record, lawful notice, and administrative clarity.

RE: Revocation of Election to Pay Taxes

Dear Commissioner Werfel,

This letter is to inform you and to state that I revoke my election to pay federal income taxes as of October 1, 2014. I made the mistake that I needed to do so. Having determined that I was never actually a volunteer Warrant Officer in the Merchant Marine Service and clearing the confusion about what a Withholding Agent was and now knowing that I am not a Withholding Agent and never have been when I had signed previous 1040 and other federal tax forms, I now revoke my election to pay any federal income taxes from the above date and going forward.
